Every Heartbeat Deserves To Be Felt

Pet Health Management Smart Collar×Precision Nutrition

About KIYE

Foshan KIYE Pet Products Co., Ltd. · Health Care for Senior Pets

Introduction

Foshan KIYE Pet Products Co., Ltd. (KIYE), located in Foshan, Guangdong, is a pioneering brand in health management for middle-aged and senior pets.

We pioneered the closed-loop business model of “Collar Data Alerts × Precision Nutritional Intervention.” Our smart collars collect data on HRV, body temperature, gait, and activity levels 24/7. An AI engine identifies early-stage risks and triggers personalized nutritional plans, ensuring that every heartbeat deserves to be seen and protected.
